Type	From (date)	to

Names of the people who are in charge of:	Name and Surname
Organic Production	
Quality Assurance	
Grading responsible (compulsory for Jas)	

(1) If necessary, e.g. for Certification requests for more than 4 products, attach a list reporting the same information.

(2) Report the same letter indicating the services required (e.g. A = UE Organic Control System, B = USDA Organic etc...)

(3) (PAP) Annual Crop Production Plan, (PAL) Annual Processing Production Plan, (P.A.P.A.) Annual Livestock Production Plan,

(4) If necessary, e.g. for Certification requests for more than 4 products, attach a list reporting the same information.

(5) Report the same letter indicating the services required (e.g. A = UE Organic Control System, B = USDA Organic, etc...)

Therefore the operator accepts the following conditions

Art.1 General

- 1.1 The procedures for the delivery of certification services by ICEA and likewise, the OPERATOR's obligations are stated in ICEA's Certification Regulations concerned the services required (see table below) , hereafter referred to as "**Certification Regulations**", which is part of this contract.
- 1.2 By signing this application/contract, the OPERATOR declares that he/she has received a copy of the Certification Regulation and accepts it in its entirety.

Services	Code (Certification Regulation)
UE Organic Control System	M.0202
NOP	RC.NOP
JAS	RC.JAS
IFOAM	RC.IFOAM
CANADA ORGANIC	RC.COR

Art.2 OPERATOR's contractual obligations

- 2.1 The OPERATOR undertakes to:
 - a) Carry out the activities subject to certification in compliance with the specific organic farming regulations and observe all the statutory provisions in force concerning the activities performed.
 - b) Submit the documentation required by the said Regulations for certification activity.
 - c) Allow Inspectors free access to facilities, records and documents considered necessary to do a proper inspection
 - d) Accept, in case of infringement, the sanction measures provided for in the Certification Regulation.
 - e) Supply ICEA with all the information needed for the inspection purposes.
 - f) Inform ICEA off all changes in the activities subject to certification and the data contained in this Application (es. Identification data of part involved, changes in production unit, agricultural areas, etc).
 - g) Fulfil the financial and administrative obligations connected to the activities covered by this contract, acknowledging that ICEA's services required regard the delivery of technical resources and that consequently, ICEA cannot be held responsible for not attaining the certification objectives for which ICEA carries out a functional role.
 - h) Refrain from further using the certification mark, the conformity label and/or any other indication referring to ICEA inspection and certification scheme after the expiry of the certificate or after the revocation of authorization to use the certificate and the mark in the cases provided for in the Certification Regulations.
 - i) Keep record of all complaints received concerning the certified products.

Art.3 ICEA's contractual obligations

- 3.1 Carry out the inspection and certification activities with the expertise required for such activities, complying with the certification bodie's rules and regulations and observing the provisions of the Certification Regulations.
- 3.2 For such activities, ICEA may use the resources offered by the local competent ICEA Office operating in the region where the OPERATOR resides.
- 3.3 ICEA undertakes to inform the OPERATOR of all changes and/or amendments to the Certification Regulations through the Internet web site (www.icea.info) which is constantly updated.
- 3.4 ICEA does not assume any responsibility whenever it cannot grant the certification mark, the conformity labels and/or the other indications referring to inspection and certification schemes due to the OPERATOR's exclusive fault, whereby the OPERATOR does not meet the requirement and the obligations provided for in the Certification Regulations, and are the prerequisites for a correct inspection and certification activity, holding as valid as the contractual provisions of the ICEA Certification Regulations.
- 3.5 In accordance with ISO 65 requirements and applicable general law, ICEA undertakes to maintain as strictly confidential all personal data and any information gathered in the course of inspection activities, foreseen by Certification Regulations except where the publication, transmission or communication of data is required, by the law or by judicial proceedings.

Art.4 Fees and payment terms

- 4.1 As to the fees for services requested by ICEA under this contract, the OPERATOR shall pay ICEA the amounts specified in ICEA List of Fees (or Estimate) currently in force for the activities subject to inspection and certification established by the competent ICEA Office. This List of Fees forms an integral part of this contract and shall be signed by the OPERATOR together with the contract.
- 4.2 However, the OPERATOR is obliged to keep up with the updates on the current List of Fees whenever an inspection is made, and on changes in the provisions of ICEA Certification Regulations.
- 4.3 The OPERATOR's signature on the Inspection Report will bear witness to the OPERATOR's full knowledge and acceptance of fees and provisions, with no exceptions. To this end, ICEA will promptly and timely relay information to the operators through the web site www.icea.info
- 4.4 The payment of fees shall be made in accordance with the procedure specified in ICEA List of Fees (or Estimate) in force.
- 4.5 Every year, by February 28 ICEA will communicate any changes concerning fees to the operator by email or written communication.

ICEA	M.RCIFOAM 01 M.RCJAS 01 M.RCNOP 01 M.RCCOR 01 M0201ES	APPLICATION FOR INSPECTION AND CERTIFICATION SERVICES	Ed.02 Rev01 of 30.04.09
------	---	--	-------------------------

Art.5 Tasks and competences of the Local competent Icea office

- 5.1 To carry out the activities mentioned in this contract ICEA avails of the _____ for _____ services with legal office in _____.
- 5.2 ICEA expressly devolves to the abovementioned structure the tasks concerning administrative and accounting management of the activities subject to supervision within the scope of this present contract stipulated between the parties and all powers and rights exclusively related to the collection of fees estimated by the ICEA List of fees applied within _____.

Art.6 Validity and duration – tacit renewal

- 6.1 The contract shall become effective starting from the day ICEA receives it.
- 6.2 This contract shall be valid until December 31 of the following year. It shall be considered as tacitly renewed for the following years if no written notice of termination is sent by any of the parties. Such communications shall arrive at least thirty (30) days before the expiry of the contract.

Art.7 Renunciation and abrogation of contract

- 7.1 The OPERATOR may surrender the certification at any time, with a communication by email or other written communication that shows the correct day, to be sent to the ICEA local competent office .The OPERATOR shall be however obliged to pay the flat and variable rates for the activity performed by ICEA, in accordance with the subscribed ICEA List of fees (or Estimate).
- 7.2 This contract will be considered as mutually abrogated the moment written notice of renunciation is relayed, holding as valid the rights of the local ICEA competent office to negotiate the fee according to the List of Fees.

Art.8 Explicit Termination clause

ICEA may terminate this contract and any agreements between the parties without giving prior notice in cases where the OPERATOR has not fulfilled the obligations laid down in this contract , violating the Regulations and the List of Fees that are part of this contract.

Only in case of the fee payment, the resolution is considered as renunciation and therefore the total amount to be given by the operator is calculated according to the ICEA List of fees (or estimate)

Art. 9 Competent Courts

9.1The venue for all disputes arising from this contract concerning ICEA's tasks and responsibilities, rights and obligations shall be the Court of Bologna (Italy).

9.2 As to what was mutually assigned and under the competence of the local ICEA competent Office disputes concerning collection of payments shall be resolved in light of the relevant norms provided by the Civil Code.

Information concerning personal data processing

ICEA (Istituto per la Certificazione Etica ed Ambientale) – Bologna (Italy) informs the OPERATOR that his/her personal data will be handled as follows:

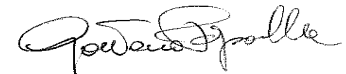

- **DATA CONTROLLER:** the person responsible for the handling of personal data is the Chairman of ICEA's Board of Directors, domiciled in the registered office of the Company. E-mail presidenza@icea.info.
- **PURPOSE AND METHODS OF DATA PROCESSING:** the personal data submitted directly by you, or acquired through other means, will be used exclusively for the fulfilment of the contractual obligations and will be processed in ICEA's registered office. The personal data will be used, also via electronic media, exclusively when necessary to fulfill the above mentioned purposes and as prescribed by the law.
- **OBLIGATION TO SUBMIT DATA:** the data may be submitted to financial offices, institutions of the European Union, Ministries, State offices, regional offices, data processors, other entities that pursue the same social purposes or that are complementary or synergic. Data submission is mandatory to comply with contract requirements. Failure to submit data entails inability to fully meet law provisions and contractual obligations.
- **PERSONS TO WHOM THE PERSONAL DATA MAY BE COMMUNICATED OR SUBJECTS WHO MAY ACQUIRE SUCH DATA:**
 - Our collaborators, who perform the above mentioned activities on our behalf, may acquire the personal data and will fully respect the obligations deriving from law provisions.
 - **DATA OWNER'S RIGHTS:** quoted hereafter, specifies the rights of data subjects.

The person responsible for the handling of personal data declares, moreover, that structure, organization and electronic means comply with the technical Standards specifying minimum safety measures.

The data owner expressly declares he/she has read his/her rights.

The person responsible for the handling of personal data:

(Gaetano Paparella)

1. The data owner shall have the right to obtain confirmation as to whether or not personal data concerning him/her exist, regardless of their being already recorded, and communication of such data in intelligible form.
2. The data owner shall have the right to be informed:
 - a) of the source of the personal data;
 - b) of the purposes and methods of the processing;
 - c) of the logic applied, if the processing is carried out with the help of electronic means;
 - d) of the identification data concerning data controller, data processors and the representative designated
 - e) of the entities or categories of entities to whom the personal data may be communicated or who may get to know such data in their capacity as designated representatives in the State's territory, data processors or persons in charge of the processing.
3. The data owner shall have the right to obtain:
 - a) the updating, rectification or, whenever interested, integration of data;
 - b) the erasure, anonymization or blocking of data that have been processed unlawfully, including data retention of which is unnecessary for the purposes for which they have been collected or subsequently processed;
 - c) a declaration that the operations under a) and b), and also their contents, have been notified to the entities to whom the data were communicated or disseminated, unless this proves impossible or involves a manifestly disproportionate effort compared with the right that is to be protected.
4. The data owner shall have the right to object, totally or partially:
 - a) on legitimate grounds, to the processing of personal data concerning him/her, even though they are relevant to the purpose of the collection;
 - b) to the processing of personal data concerning him/her, wherever it is relayed for the purpose of sending advertising material or direct selling or market surveys or commercial communications.
