

BEESWAX REPLACEMENT PLAN

The undersignedOperator Code
 undertakes to replace within 36 months all the wax of the nest comb frames in the hives
 under inspection.

The nest comb frames placed every year will be identifiable, as they will be indelibly
 marked as follows: (e.g. year when replacement was made)

The nest comb frames will be replaced in accordance with the following schedule:

Replacements	Year	Number of Frames per Hive	Number of Hives Concerned	Total Estimated Beeswax (kg)	Notes
1st year					
2nd year					
3rd year					

50% of nest comb frames will be replaced by (month and year)

Moreover, I undertake to promptly communicate any variation in this Plan.
